Overview

IDOM has been appointed one of the external liability assessors for AIG Europe Limited.

Services provided: Liability assessments with respect to Employers, Public and Product Liability.

AIG Europe Limited is a world leader in insurance and financial services and is one of the leading international insurance organisations with operations in more than 130 countries and jurisdictions. They serve commercial, institutional and individual customers through the most extensive worldwide property-casualty and life insurance networks of any insurer.

AIG Europe Limited is one of the largest companies specialising in the UK business insurance market. Based in London and with offices throughout the country, they include over half the top 1000 UK companies amongst their clients as well as many public sector organisations and smaller businesses.

Merebrook works as one of AIG Europe Limited's external auditors undertaking risk audits with respect to Employers Liability, Public Liability and Product Liability. The audits are undertaken on AIG Europe Limited Clients within the UK including public sector organisations as well as commercial operations and manufacture.

The audits are undertaken on site with Merebrook staff and reports are prepared including risk improvements which have been highlighted. On many occasions Merebrook are involved further with AIG Europe Limited's clients to ensure these improvements have been completed.
